Photostatic copies of correspondence which reflected a return address within the continental limits of the United States were made and these photostats are being furnished to the interested offices with a request that these offices search their indices for the purpose of establishing any Communist Party or affiliated organizational activity on behalf of the writer. Due to the fact that there is no proof that the senders of these letters and telegrams are members of the above-captioned Committee, it is not deemed advisable for the offices receiving photostatic copies of communications addressed to the Supreme Court make an exhaustive investigation in order to identify the writer.

Re Bureau letter to Newark, 3/6/53
Newark Airtel to Bureau, 3/13/53

Records of the Newark Office and available issues of 30 N.J. newspapers between 12/1/52 and 3/11/53 were reviewed for references by the Rosenberg Committee concerning allegations that the Bureau used or knew of perjured testimony in the ROSENBERG case and to references to SA JOHN A. HARRINGTON of the New York Office. This investigation located two newspaper advertisements referring to this matter.

The first is an advertisement in the 3/2/53 issue of the Bergen Evening Record, Hackensack, N.J., page five, captioned "We Beg to Differ Mr. President", published by the N.J. Committee for Clemency for the ROSENBERGS, 572 Prospect St., Maplewood, N.J. (home of Dr. EDWARD TUSHNETT, Chairman of the N.J. Committee and a Security Index subject of the Newark Office, Bufile 100-204382).

The advertisement contains the statement "THE F.B.I. AGENT, JOHN HARRINGTON, admitted on December 1, 1952, that he helped an important witness in the case to lie under oath."

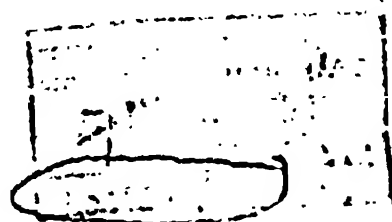

The 3/2/53 issue of the above paper is attached with the New York copy of this letter.

The second ad giving the same allegation appeared in a quarter-page ad, page 20, of the Daily Home News, New Brunswick, N.J., dated 2/18/53. This advertisement reads as follows:

"WE ARE TO DIE, MR. PRESIDENT!"

"THE ROSENBERGS DESERVE CLEMENCY"

"The U.S. Circuit Court of Appeals says that 'Prosecutor SAYPOL committed reprehensible acts which cannot be too severely condemned . . . When publicity believed to be prejudicial occurs during a trial, the defendant may move for a mistrial or may request the trial judge to caution the jury to disregard it... He may assume that, in this case, a cautionary instruction would not suffice, and that, if defendants had moved for a new trial, it should have been granted.' **WAS THIS LEGAL TECHNICALITY INVENTED AT THE TRIAL.**

"The Supreme Court never reviewed this case. Justice FRANKFURTER said that the refusal to review was on technical legal grounds, and not on the merits of the case.

"The FBI Agent, JOHN HARRINGTON, admitted on December 1, 1952, that he helped an informant witness in the case to lie under oath.

"The U.S. Circuit Court of Appeals declared that without the testimony of the Greenglasses, 'the convictions could not stand.' Yet this testimony was not corroborated by a single other witness. According to the distinguished British lawyer and Queen's Council, D.K. PRITT, 'There were an unusually large number of reasons for mistrusting the evidence of DAVID GREENGLASS. He expressly said he hoped to obtain some advantage for himself as a result of giving evidence against the ROSENBERGS. Such evidence from such sources cannot be regarded as reliable.'

"Chief Justice JAMES WOLFE of Utah, Judge NORVAL K. HARRIS, Professor STANLEY LEVIN, Professor ZACHARIAH CHAFFETZ and other eminent jurists and lawyers say that the ROSENBERGS did not get a fair trial, and that the sentence was unprecedently severe.

"Dr. ALBERT EINSTEIN, Dr. HAROLD C. UREY, and every atomic scientist in the world say that there were no 'secrets' to be disclosed.

"His Holiness, POPE PIUS XII, has twice transmitted to the United States Government the fact that he has received many pleas that he (the Pope) do something about this case."

A copy of the 2/18/53 issue of the above paper accompanies the New York copy of this letter.

The Daily Home News contained no other ad for instant N.J. Committee between 12/1/52 and 3/11/53.

The Oregon Evening Record during the same period had a subsequent ad, four-fifths of a page, in the 1/23/53 issue, page 10, signed by the N.J. Committee for Clemency for the ROSENBERGS. The name LEONARD TUBINETT, ID, Chairman, appeared at the bottom. However, this ad did not refer to instant matter.

NK 100-36202

Newark will attempt to obtain copies of this issue should N.Y. request a copy be secured.

The above ads were three of approximately 12 examined during the investigation outlined above. Only the ones already noted referred to instant matter.

The files of the Newark Office include the following items of interest:

- (1) A leaflet entitled "FBI AFFIDAVIT ADMITS WITNESS LIES IN ROSENBERG CASE!"

"THE LIE

On March 27, 1951, BEN SCHNEIDER, a government witness, swore under oath that he had not seen JULIUS ROSENBERG since June 1950, when he allegedly took photographs of the ROSENBERGS (which were never produced in court.)

"Issued by: NATIONAL LABOR COMMITTEE FOR CLEMENCY FOR THE ROSENBERGS

"BRYant 9-9683"

Only one copy of the above is available in Newark, and
this copy is being forwarded to the New York Office with their copy of
this letter. This letter was given to SA EUGENE C. JONES 1/29/53 by
[REDACTED] Lakewood, N.J. Police Dept., together
with a 16 page pamphlet captioned "THE ROSENBERG CASE", "AN ANALYSIS BY
D.N. PRITT, World-Famous British Lawyer" and the envelope in which they
were received by the addressee "Mr. HORTON C. STEINBERG, 310 - 2nd St.,
Lakewood, N.J." The envelope was postmarked Toms River, N.J., 1/8/53,
10 - AM. (It is noted FEN BACH, a paid employee of instant National
Committee and who is presently taking care of the ROSENBERGS' children,
has been mailing literature from Toms River, N.J.

Mr. STEINBERG, according to [REDACTED] is an attorney
and Naval Reservist who has furnished similar literature in the past.

NK 100-36202

(2) A leaflet captioned "THE ROSENBERGS MUST NOT DIE!" containing the masthead of the N.J. Afro American, Newark, N.J., 1-31-53 containing the statement "Why did the prosecutor use perjured testimony? FBI agent J.A. HARRINGTON admitted in a sworn affidavit that with his knowledge a Government witness lied at the trial."

NK 1807-S* advised 2-13-53 that three individuals, Security Index subjects of the Newark Office, had conferred concerning a ROSENBERG leaflet distribution to be held 2-14-53 in Newark, mobilization of which was to be Civil Rights Congress Headquarters, 183 Belmont Avenue, Newark, N.J. The Bureau copy of the above leaflet enclosed was obtained by SA VICTOR J. C. PI at the corner of Belmont Avenue and Spruce Street, Newark on the afternoon of 2-14-53, and the New York copy of the above leaflet enclosed with their letter was obtained by SA JOSEPH M. UOCCA on Spruce Street, just east of Belmont Avenue, Newark. These leaflets were obtained as the result of the Newark surveillance of that date at CRC headquarters.

This surveillance also noticed four women with literature leaving CRC Headquarters, 183 Belmont Avenue, Newark, and an unknown couple disseminating the above and below leaflet on Spruce Street just east of Belmont. The Newark copies of the above and below leaflet were obtained from this unknown couple.

(3) A leaflet captioned "The Electric Chair Can't Kill the Doubts in the ROSENBERG Case" issued by the National Committee to Secure Justice in the ROSENBERG Case. This leaflet contains the statement "THERE IS DOUBT in the case!" "The FBI admitted on December 1 that it helped an important witness lie under oath!"

The Bureau copy of the above leaflet enclosed was obtained by SA UOCCA on Spruce Street, Newark, N.J., just east of Belmont Avenue. (New York advised it has a copy of this leaflet.)

(4) A four page pamphlet captioned "IF YOU KNEW....", issued by the National Labor Committee for Clemency for the ROSENBERGS, 1050 Sixth Avenue, New York 12, N.Y., on page two contains a section captioned "Unanswered Questions in the ROSENBERG Case. Why did Prosecutor SATOL use perjured testimony to help convict the ROSENBERGS?"

"FBI Agent JOHN A. HARRINGTON admitted in a sworn affidavit, on December 1, 1952, that, with his knowledge, a government witness lied at the trial."

NK 100-36272

Only one copy of the above was located in the Newark files and is submitted to New York with this letter.

The above leaflet was obtained from JACOB BLUTSTEIN, Assistant Postmaster, Roosevelt, N.J., by SA CHESTER M. MC MILLAN on 2-18-53.

(5) A four page pamphlet captioned "ETHEL and JULIUS ROSENBERG'S APPEAL for CLEMENCY, December 30, 1952."

On page three, last paragraph reads as follows:

"In one instance, where the possibility existed for full independent proof of the perjury, the Government was constrained to concede it. BEN SCHNEIDER, a photographer, the Government's 'surprise' witness on the sensitive question of flight, was permitted to testify falsely, that he had not seen us, from the time he said he took passport photos of us, until the moment he took the stand to testify. The Government admitted that the day prior an FBI agent, at the direction of SAITEL and in violation of the order of this Court excluding all witnesses, brought SCHNEIDER into the courtroom, behind the rail, to identify us. This secret and unlawful intrusion, in aid of his subsequent testimonial identification, unrevealed to the Court or the jury, served to avoid the destruction of his probity that rested on the certainty of his identification."

The above pamphlet was obtained from [REDACTED] on 2-17-53 by SA CHESTER M. MC MILLAN and is the only copy in the Newark records. It is being transmitted with the New York copy of this letter. b7d

The Oct. 1, 1949 issue of the Yale Daily News, a student newspaper at Yale University, New Haven, Conn., contained an article captioned "Students Lead Civil Rights Group Over Communist Membership Issue". This article pointed out that the New Haven Civil Liberties Council was originally formed by students and faculty members at Yale University to protest the riots at the Paul Robeson Concerts at Peekskill, New York. However, this group subsequently divided into two factions, one led by Professor THOMAS I. EMERSON at the Yale Law School, whose followers would admit to membership in the Council all persons, including Communists, who claimed to be in favor of Civil Liberties for all. Opposed to this group was a faction led by Professor FRED RODELL of the Yale Law School, which faction would exclude all Communist, arguing that all Totalitarians should be excluded because they believe in Civil Liberties only for themselves. According to this article a vote was taken on this issue and the latter group was defeated in their efforts to bar Communists from the Council.

FOR IMMEDIATE RELEASE

FRENCH LEAGUE FOR RIGHTS OF MAN
SENDS NEW ROSENBERG CLEMENCY APPEAL

The Executive Committee of the French League for the Rights of Man, which includes some of France's most distinguished public leaders in its membership, has forwarded a new appeal to Pres. Eisenhower to reconsider his denial of clemency to Ethel and Julius Rosenberg, the National Committee to Secure Justice in the Rosenberg Case learned today.

The League's appeal was made public on February 19, after the Executive Committee met to consider what action it would take in light of the President's denial of clemency.

In its statement, the League's Executive Committee expressed "regret that the psychosis of fear and hate engendered by the cold war could prevent the humane gesture which was hoped for by the many liberal people who are troubled by the character of the testimony used and by the insufficiency of the proof adduced against the condemned."

The Committee reiterated its belief that granting clemency "could only serve the cause of American democracy in the world." It declared it was "shocked" by the contrast between the harsh penalty imposed on the Rosenbergs and the fact that an admitted spy, Ruth Greenglass, was given freedom and never brought to trial. "This can only cause misunderstanding among friendly peoples," the Committee added "for the death sentence flies in the face of decency and honor. We address this final appeal to the President of the United States of America."

The League For the Rights of Man is one of the oldest and most respected organizations in France. It came into existence at the time of the Dreyfus Case. Among its leading members are Paul Boncour, former French Premier; Professor Francis Perrin, head of French Atomic Research; Rene Cassin, President of the "Conseil d'Etat," highest judiciary body in France, and others.

CLEMENCY DINNER

Hotel Capitol ... 51st St. and 8th Ave. ... New York City

BRyant 9-9407

March 12, 1953

Dear Friend:

I recently sent you an invitation to the Clemency Dinner at the Hotel Capitol this Wednesday, March 18th, 7:00 p.m. Let me tell you a few things about this Dinner that may help you decide to attend.

Our main speakers are the Honourable Sidney Silverman, Member of the British Parliament; Professor G. Bourguignon, a member of the French Academy of Medicine; Mrs. Mary Church Terrell, an eminent Negro leader and one of our nation's best known elder stateswomen; and Dr. Bernard M. Loomer, Dean of the Divinity School of Chicago University. Our Dinner Chairman is Professor Stephen S. Love of Northwestern University, an outstanding jurist and Catholic layman.

These people signify the tremendous breadth and stature of the clemency movement - and its ever-increasing momentum. These people - and the millions more they represent - prove that clemency for the Rosenbergs can become a reality.

The latest and currently most important step in the clemency campaign is an overwhelmingly successful Dinner on the 18th. This will facilitate the actions - legal and other - which must be taken in conjunction with the March 30th Supreme Court appeal.

I trust you will recognize the significance of this Dinner. I urge that you translate this recognition into a check for Dinner reservations - and that you do it now. There's very little time left.

Very sincerely,

Mortimer Richard Camiel, M.D.
Secretary

MRC:tl

Dinner reservations are \$25 per person and checks should be made payable to Sarah Lichtenberg, Treasurer, at this address.

FOR IMMEDIATE RELEASE

NOTED ITALIAN FIGURES PROTEST
ROSENBERG DEATH SENTENCE

NEW YORK, N.Y.---While signs and slogans go up on walls all over Italy protesting the death sentences meted out to Ethel and Julius Rosenberg, world-famed figures of every political belief there are taking public stands on the controversial case, asking that clemency be granted the couple.

Umberto Moravia, whose novels including A Woman of Rome have gained an international audience, called the dooming of the Rosenbergs "an infamous act" which moved him "to indignation.... humanely speaking there is no proportion between the guilt attributed to the Rosenbergs and the death penalty."

Joining Moravia was the outstanding film director, Giuseppe De Santis, famed for his movie Bitter Rice, who scored President Eisenhower's denial of clemency to the Rosenbergs. "Too many doubts have sprung up on all sides," De Santis charged. "Even the conservative press has had to admit it and is fighting...for clemency."

The dean of Italian letters, one of his nation's greatest living poets Salvatore Quasimodo, who is strongly anti-Communist said, "How shameful is the killing of this blood!"

In addition to them and other statesmen, poets and cultural figures addressed a crowded public meeting on March 1st in one of Rome's largest theatres, Teatro Valle. Under the slogan: "SAVE THE LIVES OF ETHEL AND JULIUS ROSENBERG," such leaders as Prof. Cometto Marchesi of the University of Padua, film star Marina Berti, renowned poet Sibilla Aleramo and Senator Terracini called for clemency.

The Virginia licenses mentioned on Page One of this report are listed in the report of SA HOWARD FLETCHER, Jr., Washington, D.C. dated February 6, 1953 as being noted in activities of the picket line in front of the White House in January, 1953. In this connection, it is to be noted that license number 190-006, listed to STANLEY SUGARMAN, was seen on January 8, 1953, the day preceeding the alleged theft of this automobile.

The New York Office has advised that the Mr. LEIBERMAN mentioned in this report probably is identical with HENRY LIEBERMAN, 64-62 Booth Street, Forest Hills, Long Island, New York, and who, apparently, was connected with the National Committee of the Committee To Secure Justice In The Rosenberg Case.

I am horrified that such material is being sent to decent citizens.

Evidently most of the names in this so-called "appeal for clemency" could bear investigation if this has not already been done.

It is an insult to President Eisenhower to question his intelligence in sentencing these Communists to death. He has been soft-hearted and soft-brained too long with these birds of prey.

My forefathers, while they did not come in the Mayflower, were mighty close behind it in one of the other ships. One of my finest ancestors was Governor Winthrop of Massachusetts so you can understand my reaction to this kind of trash.

For the first time in over 80 years we have a President worthy of our trust, our faith, our prayers and our deep respect and love. Let's all stand with him in his action to rid our wonderful America of such snakes.

"Mrs. Helen Sobell, wife of Morton Sobell, was the guest speaker. Her talk which lasted about 30 minutes concerned the trial of Julius and Ethel Rosenberg.

"She stated that some of the Government's witnesses lied. She specifically referred to one witness who, in a closed door hearing, identified the Rosenbergs. She stated this witness also lied.

"She said she felt that President Eisenhower had not looked into the case deep enough, if so he would see that the killing of the Rosenbergs is just legal murder. She closed by saying that all people must put forth every effort to save the Rosenbergs and called for suggestions.

"A person I do not know made the motion that a telegram or night letter from everyone present be sent to President Eisenhower or the Supreme Court urging them to reconsider the Rosenberg case. This motion carried and .40 was collected from everyone present to pay for the telegram.

"Phil Boyer made the motion that someone from each congressional district be appointed to get people in the districts to send cards or telegrams to Pres. Eisenhower. This motion did not carry. However, Phil made the motion that a motorcade be sent to Wash on behalf of the Rosenbergs. [REDACTED] The Citizens Committee for Clemency for the ROSENBERGs was formed to have a new list of sponsors who would not have the stigmatism of "progressives" attached to their name in order to attract more supporters. Checks issued by the LACSJRC set forth in detail. Reliable informants report SOPHIE DAVIDSON, Chairman, a member of the CP in May, 1949. HARRY PIERCE, Organizer and Reporter, was seeking readmission into the LACCP in Aug. 1951. DAVE BROWN, Executive Secretary, reported to have been a member of the CP for 7 years as of 1947. SARAJO LORD reported Organizer on 12/1/52, and BETTY GARDNER, her assistant, were members of LACCP in 1947 and 1945, respectively. Reliable informant reported on 3/3/53 that the LACSJRC receives its directives from functionaries of the LACCP. Majority of sponsors of LACSJRC have been reported as members of the CP by reliable informants. Majority of delegates who flew to Washington, D.C., on 1/3/53 to participate in the picket line at the White House, have been reported as members of CP by reliable informants. Principal speakers at mass rallies held by the LACSJRC have been reported as members of CP by reliable informants. Literature of the LACSJRC has been handed out at CP meetings where the aspects of the ROSENBERG case were discussed. DOROTHY HEALEY, Organizational Secretary of LACCP, spoke at a work committee meeting of the LACSJRC on 11/12/52. Picket lines for clemency for the ROSENBERGs and mass meetings in support of the ROSENBERG case have been held by the CRC and the IPP. Literature urging clemency for the ROSENBERGs printed and issued by the CRC. Literature issued by the LACSJRC espouses the CP line as set forth in the Daily Worker and the Daily Peoples World.

All informants hereinafter designated by T symbols are of known reliability unless otherwise stated.

The Los Angeles Committee to Secure Justice in the ROSENBERG Case will hereinafter be referred to as the LACSJRC.

ORIGIN, SCOPE, AND ACTIVITIES

ORIGIN AND SCOPE

b7D
At the Midwest Conference on the ROSENBERG Case held under the auspices of the Chicago Committee to Secure Justice in the ROSENBERG Case, on August 16, 17, 1952, in Chicago, Illinois, DAVID ALMAN, National Executive Secretary of the ROSENBERG Committee, stated that "the LACSJRC was started by Mrs. DAVIDSON with a group of seven progressives who wrote New York." Miss PENNINGTON sent a list of local persons who had contacted the New York Office, which totaled 37 names in January or February, 1952.

b7D
Informant advised on February 2, 1953, that the LACSJRC was formed approximately one year ago by SOPHIE DAVIDSON, and the first offices of this organization were in the home of DAVIDSON at 515 West 41st Place, Los Angeles 37, California.

b7D
SOPHIE DAVIDSON, as of December 5, 1949, was Educational and Literature Director of the Sojourner Truth Club of the West Jefferson Section of the Los Angeles County Communist Party (hereinafter referred to as LACCP).

b7D
Informant advised on February 2, 1953, that the LACSJRC is a coordinating committee of the Citizens Committee for Clemency for the ROSENBERGs, Non-Partisan Committee for Clemency for the ROSENBERGs, West Side Committee to Win Clemency for the ROSENBERGs, Southwest Committee to Save the ROSENBERGs, Southern California Emergency Defense Committee for Clemency for the ROSENBERGs, Labor Committee for Clemency for the ROSENBERGs,

LA 100-41648

Valley Section of the ROSENBERG Defense Committee, Venice-Santa Monica Area Committee to Secure Justice for ROSENBERGs, and the Long Beach Committee to Secure Justice in the ROSENBERG Case, and various organizations such as the Civil Rights Congress (CRC), Hollywood Arts, Sciences, and Professions Council (ASP), the Independent Progressive Party (IPP), Los Angeles Committee for Protection of Foreign Born (LACFPB), American Jewish Congress, the Jewish Peoples Fraternal Order, and the Echo Park Branch of the American Polish League.

[REDACTED] Informant further advised that the LACSJRC would [REDACTED] b7D

The Civil Rights Congress and the Jewish Peoples Fraternal Order have been cited by the Attorney General as coming within the purview of Executive Order 9835.

b7D
Informant advised on February 20, 1951, that the Hollywood ASP, which is the Southern California Chapter of the National Council of Arts, Sciences, and Professions, was the most important Communist-controlled organization in the Hollywood professional field at that time and its policies parallel the Communist Party line on all important issues. Membership in the Hollywood ASP, of itself, however, does not connote membership in or sympathy with the Communist Party.

b-2
Informant advised on March 21, 1951, that the IPP in Los Angeles County is under the complete control of the Communist Party which sets its organizational goals, organizes its forces, and assigns its leadership. Membership in the IPP, however, does not, of itself, indicate Communist Party membership on the part of any particular member.

b-2
Informant advised on March 25, 1952, that the LACFPB is an adjunct of the American Committee for Protection of

LA 100-41648

Foreign Born. It activates, on a local level, policies as laid down by the American Committee for Protection of Foreign Born, which has been cited by the Attorney General as being within the purview of Executive Order 9835.

b7d
[REDACTED] Informant advised on March 26, 1952, that the Women's Committee of the Southern California Division of the American Jewish Congress is Communist dominated and that the Southern California Division proper is Communist infiltrated.

b7d
[REDACTED] Informant advised on March 26, 1952, that the American Polish League, also known as American Friends of Polish Unity, has, since its inception, been utilized by the Communist Party (CP) as a transmission group to reach the Polish speaking element of the Los Angeles area, and is under the influence and control of the CP.

[REDACTED] Informant advised on March 3, 1953, that the policy of the LACSJRC was actually formulated [REDACTED]

[REDACTED] Informant advised [REDACTED]
[REDACTED] Committee has regular members which will serve on a regular basis. Informant also advised that the LACSJRC is not incorporated in the state of California. b7D

b7d
[REDACTED] Informant advised on March 2, 1953, that the offices of the LACSJRC are located in Room 404, 355 South Broadway, Los Angeles, California, and that the LACSJRC had offices in Room 604, 406 South Main Street, Los Angeles, from approximately the middle of December, 1952, to the weekend of February 14, 1953.

b7d
[REDACTED] Informant on January 7, 1953, furnished a throw-away advertising a mass meeting sponsored by the West Side Committee

LA 100-41648

to Win Clemency for the ROSENBERGs, which reflected that their offices were located at 406 South Main Street, Los Angeles, California.

b7d
Informant furnished a throw-away on January 20, 1953, reflecting that the Non-Partisan Committee for the ROSENBERGs was located c/o Mrs. JOHN CLEWE, 1234 West 40th Place, Los Angeles, California.

b7d
Informant on February 3, 1953, furnished a throw-away which reflects that the Citizens Committee for Clemency is located at 1234 West 40th Place, Los Angeles 37, California.

b7d
Informant advised on February 3, 1953, that the Citizens Committee for Clemency and the Non-Partisan Committee for Clemency for the ROSENBERGs were created by the LAC SJRC so that the support of persons who might believe that the LAC SJRC is too "progressive" would be gained.

FINANCES

b7d
Informant advised on February 5, 1953, that the LAC SJRC opened a checking account on November 21, 1952, at the Pico and Figueroa Branch of the Citizens National Trust and Savings Bank, 1301 South Figueroa, Los Angeles, California, with an initial deposit of \$854. On January 2, 1953, this account was transferred to the Main Bank of the Citizens National Trust and Savings Bank, 457 South Spring Street, Los Angeles, California, and at that time the balance of this account was \$1,623.87. Informant advised that this account requires the signatures of SOPHIE DAVIDSON and ABRAHAM S. ROSENTHAL, Chairman and Treasurer, respectively, of LAC SJRC.

LA 100-41648

[REDACTED] for the purpose of raising funds for the defense of the 15 California Communist leaders at that time under arrest for violation of the Smith Act. b7D

This article reflected that a rally for WILLIAM PATTERSON, National Executive Secretary of the CRC, to be held on October 24, 1952, would be turned into a meeting to fight for the lives of the ROSENBERGS. WILLIAM SCHNEIDERMAN, State Chairman of the CP in California, was scheduled to speak.

[REDACTED] b7D

WILLIAM SCHNEIDERMAN, introduced as California State Chairman of the Communist Party at the above-described meeting, spoke of the Smith Act and the McCarran Act, stating that the Fascist danger in the United States is a bipartisan danger as each of the major political parties is trying to out do the other and prove which one is more anti-Communist. WILLIAM PATTERSON, National Executive Secretary of the CRC, stated that FRANKLIN D. ROOSEVELT had sent his personal emissary, HARRY HOPKINS, to Russia in lieu of opening a second front during World War II. PATTERSON alleged that at this time HOPKINS carried to Russia some of the secrets of the Atomic Bomb. He stated that if the ROSENBERGs did give the Atomic Bomb to Russia they did nothing more than the United States Government had already done. PATTERSON called for a delegation of workers from every community to go to Washington, D. C. and place a plea for the ROSENBERGs before the President. He then told the audience, you can also be the defendants for if this happens it will mean in effect that the government had said that for advocating peace the sentence is death. He stated that the death sentence was given the ROSENBERGs because they are Jews and concluded by stating that if the ROSENBERGs die we have allowed the government to make the fight for peace a matter of capital punishment.

"...the ROSENBERGS...were convicted and sentenced to death on an equally fantastic piece of nonsense....that they gave the non-existent Atomic 'secret' to the Soviet Union".

"Every informed person knows the original charge against the ROSENBERGS was....fanciful. The fact is that there never was an Atomic 'secret' to be passed on as even Soviet publications have admitted. The ROSENBERGS should be free".

of SOPHIE DAVIDSON, chairman of the LAC SJRC. This letter reflects that the ROSENBERGS "were convicted of giving the secret of the Atomic Bomb in spite of statements of leading scientists, as well as the Joint Congressional Committee on the Atomic Energy, that there was no secret since the discovery of nuclear fission in 1938 and once the Hiroshima bomb was exploded".

Informant on February 12, 1953, furnished a pamphlet entitled "Protest Eisenhower's Refusal to Commute Death Sentence Against the Rosenbergs", published by the LAC SJRC reflecting "You are wrong, Mr. President - when you accuse the ROSENBERGS of being responsible for deaths of many Americans in war for you are perpetrating the false charge that the ROSENBERGS were arch spies who gave the Russians the A-Bomb".

"Daily People's World"

"Anti-Semitism in the Rosenberg Case"

The death sentence in the ROSENBERG case is part of cold war, fascist tactics and anti-Semitism in the United States. This is a method whereby the government is advancing the anti-Communist hysteria.

"Daily People's World"

"The Rosenbergs"

The precedent of a death penalty in the ROSENBERG frame-up threatens the civil liberties of all and creates a dangerous possibility of further attempted death sentences of efforts for peace advocates and political dissenters. The execution of the ROSENBERGS will undoubtedly swell the already alarming torrent of anti-Semitic prejudice and violence.

"Tale of a President: They must not die"

1. "The ROSENBERGS are victims of calculated war hysteria.

2. "They are victims of that past reject of precedent, known as anti-Communism.

3. "They are the victims of a foul anti-Semitism that penetrates deeper into the fabric of natural life because a reactionary war drive needs scape goats and must summon forth and fan ancient prejudices.

4. "They are victims of an inhuman sadism that must be carefully nourished by those who wish to dull the revulsion of the people of the horrors of an Atomic war to the massacres in Korea."

This pamphlet reflects the question "Are they (the ROSENBERGS) getting equal punishment for their crime or are they getting something 'extra' because of a general hysteria surrounding this case"?

Exhibit #10

Informant on [REDACTED] furnished a news release bearing the caption "International Press Correspondents, 515 West 41st Place, Los Angeles 37, California". It is noted that this was the address of the LACSJRC in November 1952. This news release reflects "Note to editors", reflecting that the savage death sentence meted out to the ROSENBERGS not on the basis of any credible evidence but on the basis of mass hysteria, synthetic fear, mob hatred and synical anti-Semitism". The body of this news release charges that the verdict of guilty was obviously the results of not evidence and testimony but of the McCarthy-McCarran cold war hysteria which surrounded the case because the government could point to no political culprit until the ROSENBERGS were involved. Informant advised that the Hollywood Arts, Sciences and Professions Council mimeographed much of this material. b7D

Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC, NEW YORK
FROM : *KU* SAC, ATLANTA (100-4953)
SUBJECT: NATIONAL COMMITTEE TO SECURE JUSTICE
IN THE ROSENBERG CASE
INTERNAL SECURITY - R

Reurlet 2/9/53 reflecting that XENIA KAY DEITCHMAN had contributed to subject organization through checks drawn on the Citizens and Southern Bank, Albany, Georgia.

Investigation at Albany, Georgia, reflected that her correct name is XENIA KAY DEITCHMAN, and that she is the wife of JOSEPH SANDERS DEITCHMAN, who is a pharmacist and co-owner of the Robinson Drug Company, Albany, Georgia. Both of these individuals moved to Albany, Georgia, about four years ago from New York, New York. Mrs. DEITCHMAN is alleged to have taught Modern Art, principally sculpturing at Columbia University, in New York.

It is requested that the names of these individuals be checked against the New York Office indices. In the event the indices are negative, it is requested that efforts be made to determine the maiden name of XENIA through Credit Bureau or marriage records after which her maiden name should be checked against the indices.

His Excellency, The President,
The White House
Washington, D. C.

Dear Sir:

This is an earnest appeal to you for mercy. Please use your power to grant clemency to Ethel and Julius Rosenberg, who are in the death house at Sing Sing awaiting their execution on January 12.

The inhuman sentence imposed on this man and his wife, and indirectly on their two young children, and the manner in which it was imposed, give the whole case away as a flagrant miscarriage of justice. Even if they did pass critical information to the Russians (of which there is serious doubt), they are not guilty of treason under our constitution. For we were not engaged even in a cold war with Russia at the time.

There are imperative historical reasons why treason is very strictly defined in our constitution. In the old days in England treason was not narrowly defined but the punishment for it was exceedingly cruel. The politicians, representative of the King or Parliament, in the days of James I, Charles I, Oliver Cromwell, Charles II, and James II, condemned and punished so many persons for treason merely because of political beliefs that the English law was amended to define treason narrowly and to fix the punishment for it.

We Americans, regarding ourselves as "free-born Englishmen" during our quarrel with England, naturally incorporated this article of the English law into our own Constitution. For many Americans had fled from the political persecutions in England. Undoubtedly our founding fathers meant just what the clause says.

The execution of the Rosenbergs would be a cruel punishment for their children, and, in effect, would "work corruption of blood," and so constitute another violation of our constitutional provision on the subject of treason.

Nothing could be more fitting to you in your high office, in this season of universal appeals for good will, than to exercise clemency to the Rosenbergs. The violent political persecutions of this era make clemency in this case more necessary for safeguarding our democratic institutions and for the maintenance of our good will among freedom-loving people of all countries.

Yours respectfully,
